Dear Supporter

I'd like to say a huge thank you to you and your organisation for the donation of £125.00 to the British Heart Foundation.

You're helping us to support pioneering research and deliver life-saving care to the people that need it most. Your kindness gives us hope for a future without heart disease – and the confidence that we can be there for those whose lives are affected by it now.

Remember, we're here for you too. If you're interested in how we can help your colleagues keep their hearts healthy, just visit www.bhf.org.uk/healthatwork or call 0300 330 3311.

Thank you once again for supporting us in the fight for every heartbeat.

Yours sincerely,

Amanda Pullen
Customer Service Centre Manager
