To everyone at Greenlight Cartridge Recycling, we can't say thank you enough

Dear Mr Priestley,

Thank you so much for your fantastic donation of £139 to Macmillan Cancer Support, which you raised by recycling printer cartridges. Because of your generosity we'll be able to reach more people with our life-changing support.

Support every step of the way

Your donation will help us to fund more nurses and therapists to help people through cancer treatment. It will help us to provide more information and support centres offering free and confidential advice. It will support us in our campaigns to improve cancer care and fight discrimination. Your donation will ensure that we help patients, carers, families and communities every step of the way.

Managing cancer in the workplace

Remember that the Macmillan team is here to help you and your colleagues too. Each year, over 100,000 people of working age are diagnosed with cancer in the UK, and more than 500,000 people are balancing caring for a loved one with cancer with a full or part time job. That's why Macmillan offers a free and comprehensive range of work and cancer resources to support employers, line managers and employees. Visit macmillan.org.uk/work to find out more and order our free *Essential work and cancer toolkit* for your organisation.

Please see the enclosed leaflet for further ways to get involved with Macmillan Cancer Support. You and your colleagues could hold a coffee morning, take part in a sponsored walk or bike ride, or give your time as a volunteer.

We couldn't provide our vital services without your help. Thank you so much for being part of the Macmillan team.

Best wishes

Lydia Salice
