To everyone at Greenlight Cartridge Recycling,

We can't say thank you enough

Thank you so much for your fantastic donation of £125.00 from recycling used printer cartridges and donating to Macmillan Cancer Support. Your generosity means we're able to reach and help even more people affected by cancer, and their families.

How your support helps

Cancer can turn someone's world upside down but no one should ever have to face it alone. Thanks to supporters like you, we can be there for people when they need us most. From help with money worries and advice about work, to someone who'll listen when they just want to talk, we'll be there. We can help people affected by cancer make the choices they need to take back control and feel like themselves again.

Take a look at our enclosed leaflet, *Team Up With Us* to find out about all the brilliant ways you can get involved with Macmillan, and also about how we can support you and your colleagues. Whether it's joining the World's Biggest Coffee Morning or making your workplace a more supportive environment, we'd really love to have you on board.

Thank you again for being part of the Macmillan team.

With best wishes,

Mel Cochrane
