To everyone at Crowood Industries, we can't say thank you enough

Thank you so much for your fantastic donation of £208.50 to Macmillan Cancer Support. Because of your continued generosity we'll be able to reach more people with our life-changing support. Please pass on our thanks to Greenlight Recycling in Barnsley, we really appreciate that you are continuing to fundraise for us in conjunction with them.

No one should face cancer alone

Macmillan believes that everyone affected by cancer should be able to get the help and support they need, so they don't go through cancer alone. That's exactly what your donation is helping us achieve.

Your donation will help us to fund more nurses and therapists to help people through cancer treatment. It will help us to provide more information and support centres offering free and confidential advice. It will support us in our campaigns to improve cancer care and fight discrimination. Your donation will help us be there for patients, carers, families and communities every step of the way.

Managing cancer in the workplace

Please remember that the Macmillan team is here to help you and your colleagues too. Each year, over 100,000 people of working age are diagnosed with cancer in the UK. More than 500,000 people are balancing caring for a loved one with cancer with a full or part time job. That's why Macmillan offers a free and comprehensive range of work and cancer resources to support employers, line managers and employees. Visit macmillan.org.uk/work to find out more and order our free *Essential work and cancer toolkit* for your organisation.

Thanks again for being such an important part of the Macmillan team. Without your help, we wouldn't be able to keep providing our vital services. Together we are all Macmillan Cancer Support.

Best wishes,

Lucy Barnett
