To everyone at Greenlight Cartridge Recycling,

We can't say thank you enough

Thank you so much for your fantastic donation of £137 to Macmillan Cancer Support by recycling used printer cartridges. Your generosity means we're able to reach and help even more people affected by cancer, and their families.

How your support helps

Cancer can turn someone's world upside down but no one should ever have to face it alone. Thanks to supporters like you, we can be there for people when they need us most. From help with money worries and advice about work, to someone who'll listen when they just want to talk, we'll be there. We can help people affected by cancer make the choices they need to take back control and feel like themselves again.

Please see macmillan.org.uk/fundraising for all the brilliant ways of getting involved with Macmillan, from the World's Biggest Coffee Morning to a sponsored bike ride.

You can also find out how we can support you and your colleagues by visiting macmillan.org.uk/work for more information about work and cancer.

Thank you again for being part of the Macmillan team.

With best wishes,

J. Marie
