Dear Greenlight Cartridge Recycling

We would like to say a HUGE thank you to everyone at Greenlight Cartridge Recycling (and of course your customers!), for your incredibly generous donation of £100!! We are a small dog rescue charity, and this donation really will go a very long way! It will cover the cost of neutering a male dog (£65) and a full course of vaccinations (£30).

Thank you again for your support – you do wonderful work!

Yours faithfully

Joanne Snaitth

Treasurer
