**To everyone at Greenlight Cartridge Recycling, we can't say thank you enough**

Dear Tony,

Thank you so much to you and your colleagues for your fantastic donation of £137 to Macmillan Cancer Support that you raised by recycling used printer cartridges. Because of your collective generosity we'll be able to reach more people with our life-changing support.

**No one should face cancer alone.**

Macmillan believes that everyone affected by cancer should be able to get the help and support they need, so they don't go through cancer alone. That's exactly what your donation is helping us achieve.

Your donation will help us to fund more nurses and therapists to help people through cancer treatment. It will help us to provide more information and support centres offering free and confidential advice. It will support us in our campaigns to improve cancer care and fight discrimination. Your donation will help us be there for patients, carers, families and communities every step of the way.

**Managing cancer in the workplace**

Please remember that the Macmillan team is here to help you and your colleagues too. Each year, over 100,000 people of working age are diagnosed with cancer in the UK. More than 500,000 people are balancing caring for a loved one with cancer with a full or part time job. That's why Macmillan offers a free and comprehensive range of work and cancer resources to support employers, line managers and employees. Visit [macmillan.org.uk/work](http://macmillan.org.uk/work) to find out more and order our free *Essential work and cancer toolkit* for your organisation.

Thanks again for being such an important part of the Macmillan team. Without your help, we wouldn't be able to keep providing our vital services. Together we are all Macmillan Cancer Support.

Best wishes,

John Keating
